

# Raising children in a new country

**Are you an Arabic-speaking father?**

Are you interested in learning about raising children in Australia and the support available?

Weekly  
Men's group  
sessions  
in Arabic  
beginning  
May 2021

Funded by:  
Westpac Safer Children,  
Safer Communities

# Raising children in a new country

## Why should you attend this session?

- To learn about wellbeing and relationships with your children and family members in a new environment
- To learn more about Australian laws and norms relating to children and family
- To share and discuss your cultural ways of raising children with other men of Arabic background
- To know more about support available for children and families

## 6 Week program [one night a week – 2 hours]

This is a private, confidential program run by Arabic-speaking facilitators and provides child minding service. Snacks will be provided.

**When:** Rolling intake. Accepting referrals between April and August 2021  
(Please note the group will not run in school holidays)

**Where:** Fairfield or Liverpool

**Cost:** FREE
