

Australian Support for Ukrainian Nationals - Fact Sheet

The Department is supporting [Australia's response to the escalating crisis in Ukraine](#).

The Department is progressing outstanding visa applications from Ukrainian nationals as a priority, across all visa categories.

Anyone wishing to make a new application for a visa to travel to Australia should consider options relevant to your circumstances and consider relevant eligibility criteria. See: [Explore visa options](#).

The Prime Minister has also announced that automatic visa extensions for 6 months will be given to Ukrainian nationals in Australia who have a visa expiring before 30 June 2022.

Visa holders do not need to do anything to receive this extension. The Department is contacting visa holders in Australia who have visas expiring in the coming weeks to make arrangements if they wish to remain in Australia.
