

HUMBLE
CREATIVES
AN **SSI** INITIATIVE

Humble Creatives scented handmade products use the power of smell to evoke memories and transport you to another time and place.

Humble Creatives is a social enterprise of Settlement Services International which provides opportunities for job seekers to gain valuable hands-on work experience in a commercial production and retail environment.

Each candle is carefully mixed and hand-poured using 100% Australian soy wax, cotton-core wicks and a variety of fragrances or essential oils at our warehouse in Campsie, NSW.

We have a wide range of scented candles ranging from Australian bush through to florals, herbs and spices.

Humble Creatives handcrafts are available at local markets and pop-up stalls. For more information about the initiative, where to buy candles or to place an order, email us at: humblecreatives@ssi.org.au
