

Strategic Master plan 2020-2023

Our vision > To achieve a society that values the diversity of its people and actively provides support to ensure meaningful social and economic participation and to assist individuals and families reach their potential

Our mission > We support newcomers and other vulnerable Australians to prosper. We build our sector's capacity and create positive, social outcomes with government, corporations and communities.

Strategic Goal

1

SSi will continue to build organisational capability to deliver for its clients, members and partners

SSi will build capability (people, process, technology) to meet today's and future requirements.

Strategic Goal

2

SSi is a client-centred organisation

Clients and client-centred practices will be at the heart of our organisation. This will be evident through our values, behaviours and approach to service delivery.

Strategic Goal

3

SSi identifies and develops opportunities for sustainable growth

SSi will be a sustainable organisation into the future by diversifying our sources of revenue, capitalising on commercial opportunities, and investing in areas and initiatives that position SSi for sustainable growth.

Strategic Goal

4

SSi is a leading contributor to our sector and society

SSi provides thought leadership, advocacy and policy influence, which strengthen the sectors in which it operates.
