

Find and hire skilled staff with disability from refugee backgrounds

Partner with a refugee employment specialist

Let us help your organisation embrace workplace diversity while achieving your diversity, social procurement or ESG goals.

We can help you:

- Identify business needs and find suitable candidates
- Access training, incentives and workplace adjustments
- Create safe, inclusive and productive workplaces
- Retain employees through ongoing support and check-ins

Since 2015, SSI has partnered with employers to match skilled candidates from diverse backgrounds with meaningful work.
